

SPATIAL DATA MEETINGS FOR INTERDISCIPLINARY SCIENCES

Dijon, October 23-24 2015

Joint 8th Jean Paelinck Seminar of Spatial Econometric

PROGRAM

Social events: SDM and 8th JP
Building AAFE - Hall

Invited Lectures: SDM and 8th JP
Building AAFE - Eicher Lecture Hall

Contributed session SDM
Building MSH - Room Forum des Savoirs

Friday October 23, 2015

8:30 - 9:00 Registration

13:15 - 14:30 Lunch

9:00 - 10:00 Invited Lecture

Dan Griffith (University of Texas, Dallas, United-States)
Evaluating Eigenvector Filter Corrections for Omitted Georeferenced Variables
Discussant: Jesus Mur (University of Zaragoza, Spain)

10:00 - 11:45 Contributed Lectures « Diffusion Processes in Space and Time »

- *The Value of Geographical Indications with Unobserved terroir Variables*
Jean-Sauveur Ay^a and **J. Le Gallo^a**
^a UBFC, INRA, CESAER, Dijon, France
- *A multi-scale analysis of similarity distance decay for early Pliensbachian ammonites of the western Tethys and adjacent areas*
Axelle. Zacaï^a, **A. Brayard^a**, **J.L. Dommergues^a**, **C. Meister** (Muséum d'Histoire Naturelle, Département de Géologie et de Paléontologie, Genève, Switzerland), **G. Escarguel** (Université Claude Bernard Lyon, CNRS, Laboratoire Terre, Planètes, Environnement, Villeurbanne), **R. Laffont^a**, **B. Vrielynck** (Université Pierre et Marie Curie CNRS, IStEP, Paris) and **E. Fara^a**
^a UBFC, CNRS, Biogéosciences, Dijon, France

- *Railway speed acceleration and demographic dynamics in the long run. The case of the French Railway Network between 1860 and 1930*
Christophe Mimeur^a, **T. Thévenin^a** and **L. Grandjonc^b**
^a UBFC, CNRS, TheMA, Dijon, France
^b UBFC, CNRS, MSH, Dijon, France

11:45 - 12:15 Coffee Break

12:15 - 13:15 Invited Lecture

Wilfried Koch (UQAM and CIRPEE, Montréal, Canada)
Does Financial Structure Matter for the Economic Development?
Discussant: Nicolas Debarsy (LEO, Orléans, France)

14:30 - 16:15 Contributed Lectures « Landscape Structures »

- *Valuing the urban density in residential choices: a spatial hedonic approach*
Marion Girard^a and **C. Baumont^a**
^a UBFC, CNRS, INSERM, LEDi, Dijon, France
- *A comparison of in situ and digital landscape metrics for residential satisfaction modeling*
Yohann Sahraoui^{a,b}, **S. Youssoufi^a**, **C. Caille-Cattin^a** and **J.C. Foltête^a**
^a UBFC, CNRS, ThéMA, Besançon, France
^b UBFC, CNRS, MSHE C.N. Ledoux, Besançon, France
- *Influence of landscape structure on gene flow in a forest specialist bird species*
Aurélié Khimoun^a, **B. Faivre^a** and **S. Garnier^a**
^a UBFC, CNRS, Biogéosciences, Dijon, France

16:15 - 17:15 Invited Lecture

Raymond Florax (Purdue University, West Lafayette, United-States)
Spatial Difference-in-Differences Techniques: Ignorability and Interaction
Discussant: Julie Le Gallo (CESAER, Dijon, France)

17:15 - 17:45 Coffee Break

17:45 - 19:15 Contributed Lectures « Spatial Modeling »

- *Pollution models and inverse distance weighting: Some critical remarks*
Louis de Mesnard, UBFC, CREGO, Dijon, France
- *Raingauge-Radar high resolution Intercomparison*
Basile Pauthier^a, **B. Bois^a**, **T. Castela^a**, **D. Thévenin^b** and **Y. Richard^a**
^a UBFC, CNRS, Biogéosciences UMR 6282, CRC, Dijon, France
^b Météo-France Direction régionale Centre-Est, Dijon, France
- *Random walks on random Delaunay triangulations in Rd*
Arnaud Rousselle, UBFC, CNRS, IMB, Dijon, France

Saturday October 24, 2015

9:00 - 10:00 Invited Lecture

Guiseppe Arbia (Universita Catolica del Sacro Cuore, Roma, Italy)
A Bias-Corrected Model for Locational Errors in Spatial Econometric Modeling
Discussant: Catherine Baumont (LEDi, Dijon, France)

- La participation à cette journée est reconnue au titre de la FORMATION POUR LES DOCTORANTS DES ECOLES DOCTORALES DE L'UBFC. Attestation de présence délivrée lors des journées
- Déjeuners et pauses café offerts sur INSCRIPTION (OBLIGATOIRE) avant le 20 octobre 2015 : emilie.steimetz@u-bourgogne.fr
- CONTACTS ORGANISATION

Catherine BAUMONT – UBFC, LEDi, Dijon, France
catherine.baumont@u-bourgogne.fr

Pascal NEIGE – UBFC, Biogéosciences, Dijon, France
pascal.neige@u-bourgogne.fr
